Re: Brady Chiasson

Dear Mr. George:

This is to follow up on our letter of June 3 concerning student Brady Chiasson. In that letter, we asked for your assurance, within ten days – or by June 13 – that Brady's record would be cleared of all evidence of his February detention and that his record will in no way reflect any action taken against him for his exercise of his Constitutional rights.

To date we have had no reply, and we write again to ensure that Brady's record will be cleared. It is essential for him to begin the new school year with his record restored. Please contact us at your earliest convenience to confirm that you have taken the necessary action.

Sincerely,

Marjorie R. Esman, Executive Director
